## **CLOSING REMARKS**

Congratulations Class of 2021!

Each and everyone of you is very special to me. When I think of this class, I can not help but feel pain in my heart and an overwhelming sense of courage that each of you have shown. You have missed out on so much that is HIGH SCHOOL! However, you have remained resilient, confident and strong!

As you turn the page on this chapter, I would like to share my thoughts.

When you go through disappointment you can not stop on that page. You must keep writing your greatest life story, keep creating, dreaming, keep living, keep moving forward. Time is always moving and so is life. Keep turning those pages of your life! Slow down when you need to and heal from hurt and disappointment, but keep your life in motion towards your new destination and next adventure.

I love you all and wish everyone the very best this life has to offer! Go out be better, be strong, and forever keep turning the page!

Ms. Taormina
